What we do

How does PCS protect my personal information?	To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.
How does PCS collect my personal information?	We collect your personal information, for example, when you ■ open an account or make deposits or withdrawals from your account ■ seek advice about your investments or tell us about your investment or retirement portfolio ■ enter into an investment advisory contract
Why can't I limit all sharing?	Federal law gives you the right to limit only ■ sharing for affiliates' everyday business purposes—information about your creditworthiness ■ affiliates from using your information to market to you ■ sharing for nonaffiliates to market to you State laws and individual companies may give you additional rights to limit sharing. [See below for more on your rights under state law.]
